This is our company website's home page. There is many buttons on this page you can find valuable information through. The one I have marked with the blue arrow is Account Info, and is the button to click to access your accounting information with SCC. This is where you can access your Agronomy or Petroleum accounts receivable information, with monthly statements, all invoices, payments you've made or pre-pay balances. Grain accounting information is also available. Here you can find all information regarding grain including: Current contracts, Settlement info, End of year grain totals, and a load by load view which can help keep track and assure accuracy.

Password:

The first page (above example) that comes up will be your sign in page. If this is your first time using this you will want to click on the words in blue: [First time sign on](#). The next page will look like the example below. Your account id is your SCC account number. Then you will create a password which you will enter 2 times. Please write this down some place safe or choose something you are going to remember. It then asks for the last 4 of your SS number or fed. Tax id. *It is important to mention that your SS # has to be in our system for this login to process. If it gives you an error please call us and we can get your number into the system. Lastly type in your email address and click on Submit

From the previous screen if you click on Account Statement you will see this. I would like you to notice all of the words in the above example that are blue and underlined are clickable and will break that information down further. For instance if you want to see the invoice number from above to see what the charges were for just click on the blue invoice number. You can change the statement month to what ever month you choose to view. Any time you want to go back to the main menu click the Menu button at the top.

[View Proof of Yield Report using Adobe® Acrobat®](#)

Back to the main menu I clicked on Year End. This example shows you the many categories you can find year end usage amounts that you have been billed for. You can click on any information in blue to dig in a little deeper.

At the bottom of the page is your End of Year grain reports. This will show you all grain payments you have received and or every load you delivered for the year. These are the tax reports you will need for year end.
